

# EP SCHOOL-WIDE LEARNING OUTCOMES

All EP students will **RISE** by being:

## Responsible citizens

- who are globally aware,
- who appreciate the civic, economic, historical, and cultural perspectives of diverse people,
- who can function in a multicultural world,
- who are proud of their roots and personal value and,
- who care for the environment.

## Intellectually curious and independent learners

- who achieve academic excellence through rigorous active learning,
- who use critical thinking skills to understand and solve complex problems across disciplines,
- who are able to analyze, synthesize, and evaluate.

## Sound healthy individuals

- who understands the importance of physical fitness, and the need for a lifestyle that is balanced intellectually, physically, and emotionally,
- who achieve well-being for themselves.

## Effective bi-literate & bilingual communicators

- who can acquire information through reading and listening,
- who can write clearly and concisely,
- who can communicate ideas and thoughts in a group setting and when making presentations.
